19 June 2018

Dear Friends,

Thank you so much for your donation of £100.00. The support of groups like yours is vital to us in our mission to help provide the best treatment and outcome possible for the 73,000 children treated at the Noah's Ark Children's Hospital for Wales each year.

Your contribution to the Noah's Ark Charity could be helping to make a difference in a number of ways. Here are just a few:

- The funds you have raised could help pay for a vital piece of equipment that breathes for a child when they are too ill or have been born too small to breathe for themselves.
- Your donation could fund a child's sessions with a play specialist, where their treatment for cancer is explained and made less daunting through play. Our much loved play team help children be children, despite some of the difficulties they face.
- Your support could help us produce parent packs for people whose children are admitted in an emergency and have arrived with nothing for themselves. The packs, which contain basics like a toothbrush, face wash, bottle of water and a cereal bar, mean that parents have one less thing to worry about at a very stressful time.

We'd love to keep you up to date with our activities so that, should your group wish to support a Welsh children's charity again in the future, ours will come mind. Feel free to follow us through any of our online channels or sign up to our newsletter if you haven't done so already. And if you'd ever like to visit the hospital to see the money you have raised at work, please don't hesitate to give our team a call.

Yours sincerely

  
Eddie Hayward OBE  
Chairman
