

Welsh National sheepdog trials 2022 – form will be supplied

Local trials will also be requesting grant funding – form supplied

From local group

St Dogmaels trials will go ahead on 15 August `22, but (to put you in the picture) we are also very much involved in helping to organize the Welsh National trials - over 3 days, with 150 dogs running - and hosted by Pembrokeshire. The ` National ` is held in all Welsh counties on rotation, and was last held in Pembs., - @ Tavernspite in 2011. All local communities are asked for support, most give £50 to £100. St Dogmaels trials committee (one of six in the county) held a fund raising Bingo last week & made £500, this will be handed over as our contribution .

Our own trials always welcome financial support, eg, toilets cost £120
