

## County Councillor's Report 28-07-22

Future development at Poppit – ongoing to arrange a meeting.

Hedge cutting, numerous requests by phone and email. Cutting started w/b 18/07/22. Email conversation with Manager and site meeting with officer cutting in the North East started with Poppit to the Youth Hostel road.

Attended the RNLI and partner organisation Open Day at Poppit.

Boardwalk and disabled viewing point project at Poppit – requested an update, no reply to date.

Chased up the uneven surface on the pavement near Poppit bridge.

Discussed Active Travel with officers, Sustrans report is imminent.

Recycling at Penparc, I have requested a meeting to discuss I there is an agreement between PCC, Ceredigion Council and the Contractor.

Site meeting to discuss steps at Llwybir Llygoden with Gill.

Site meeting to discuss an issue at Y Graig footpath with Gill.

Diversion of footpath 87/24c, conversation with Highways and engineers, the current footpath will stay in place until the diversion is completed. A site meeting will take place between Highways and the developer this week.

20 is plenty, new Cabinet Member for Highways at PCC. He wants to meet with the local group for an update. The Community Council is part of this group. Chair and Vice Chair.

Plenty of interest in the PCC property at Grove Terrace. I circulated it's availability as soon as I was notified.

Planning applications at PCC are currently behind schedule. There are various issue concerning this.

Mobile library service is back and running as before, I have requested a route map for North East Pembrokeshire.

Pot holes on various parts of the road in the village, the ones I am aware of have been filled.

Complaints of noisy jet-skis on the river.

Pilot Street, more discussion.

Site meeting with officers regarding Jo's Community Council regeneration report on issues in the village:

Vegetation at Glanteifi Hill will be cut at a higher level.

Base of Glanteifion bridge will be cleaned.

Vegetation on Riverhill boundary wall will be cut.

Parking area at Alexandra Gardens, vegetation will be cut and tidy-up.

Surface water outside the school entrance will be tested and further work carried out.

School entrance at Feidr Fach will be cut back and the inside hedge of the school field will be cut.

General clean-up of all drains in the village will take place.

I discussed the High Street car park doors with DANFO. It is on their agenda.

I reminded officers of a request for a one way system at the High Street car park. Arrows will be placed on the road surface.

Arrange a site meeting for bike racks at the High Street car park. I will inform the Chair of the date.

Induction and training is finally coming to an end at PCC and PCNPA. I will be able to spend more time walking the village.

Lastly but for me importantly, thank you all for your kind messages, cards, emails, Facebook and verbally over the last couple of months. It has been a strength for me that I have so many thoughtful friends.

I have passed all the messages on to my family.

Diolch yn fawr iawn.
